# Title: Health Care Indicators Map (District - Hooghly, State- West Bengal)

Map description and analysis

Introduction:
Hooghly district is one of the districts of the state of West Bengal in India. It can alternatively be spelt Hoogli or Hugli. The district is named after the Hooghly River. The headquarters of the district are at Hooghly-Chinsura. There are four subdivisions: Chinsura Sadar, Serampore, Chandannagar, and Arambag.

Available Health Facilities :
- State General Hospitals
- District Hospitals
- Sub-division Hospitals
- Rural Hospitals
- Block Primary Health Centres
- Primary Health Centres
- Private Hospitals and Nurshing Homes
- Blood Banks

Reach :
- More or less every block has some sort of medical facilities with emergency services.
- Veterinary services are also available with District,Sub-Division,Rural and Block Primary Hospitals.
- Arambagh Sub-Divion Hospital has upgarded its facilities with its Super speciality services in recent years.
- ESI facilities are also there for govt employees.
- Swasthya sathi card facilities are also incorporated for all people of West Bengal.

Future Prospect :
- Some blocks like Pandua, Balagar,Polba etc. should be faciliated with more PHC(s).
